

Policy Advocacy

Our team has been instrumental in passing both state and federal legislation. How can we help your organization advance your legislative agenda?

Services We Offer

McAlpine Consulting can provide a range of policy advocacy services for your organization, including:

- Forming an advocacy agenda and strategy
- Increasing/promoting support for an existing advocacy agenda
- Directing existing or new legislative and administrative advocacy at the local, state, and/or federal levels
- Leading grassroots organizing with key community members or networks
- Conducting advocacy trainings
- Supplying media communication and outreach
- Providing technical assistance to implement web-based advocacy technologies, including social media
- Supporting the development of an organization undertaking any policy/legislative initiative

Costs

McAlpine Consulting costs vary depending on the amount of work being asked of us and which staff member completes that work. Contact us at consulting@lmc Alpine.com or 773-728-0271 to discuss how we can best support for your organizations' goals. We can then develop a proposal tailored to your needs.

Experience

McAlpine Consulting has worked with dozens of clients in a range of capacities. Please view our client list, and feel free to contact us for references.
